Does your proposal involve the construction of a new building which would result in the loss or gain of public open space?  Yes  No
Description of the Proposal
Description
Please describe the proposed development including any change of use
Construction of a new arrival point to Pontcysyllte Aqueduct World Heritage Site including car, coach and cycle parking; hard and soft landscaping; pathways for vehicles and active travel; a recreational walking and cycle route to the Aqueduct; woodland enhancement with additional planting and amenity green space; signage and wayfinding; drainage ponds; and additional fencing
Has the work or change of use already started?
<ul><li>○ Yes</li><li>② No</li></ul>
Existing Use
Please describe the current use of the site
The majority of the site to the east of Queen Street was previously in use as part of an industrial manufacturing works. Demolition of the former buildings on site took place between 2008 and 2015. This area of the site is now abandoned and disused. These areas now comprise areas of concrete where buildings once stood interspersed with trees and overgrown vegetation.  Part of the site east of Queen Street comprises an open, flat area of tarmac with vehicle access directly from Queen Street. This part of the site is currently used for overflow and coach parking associated with Pontcysyllte Aqueduct World Heritage Site. The area to the west of Queen Street consists of disused scrubland. The area used for parking is fenced off from the road. The topography of the site gently slopes down from north to south.
Is the site currently vacant?
